

President's Newsletter  
OHIO REGIONAL ASSOCIATION OF LAW LIBRARIES  
April, 1971

SPRING MEETING:

Following our usual pattern, ORALL will meet concurrently with the Ohio State Bar Association -- this spring in Cleveland. Information concerning the details is enclosed, and we hope all of you will attend. A fine Friday afternoon program has been planned by Jim Briley. Helen Garee is watching the many details of local arrangements. Send in your reservation forms as soon as possible, for it's a very difficult chore for the local arrangements chairman to contend with unexpected guests.

SPECIAL FRIDAY MORNING MEETING:

The Friday morning session is for everyone, but of vital interest to the county law librarians. The speakers, Messrs. John Nostwich and Robert Lewis, are both with the Akron firm of Alpeter, Dierenbach, Davies, Koerber & Lewis which handled the case of State ex rel. Akron Law Library Association v. Weil for the Akron Law Library Association. We urge each ORALL member to attend and to inform all Ohio county law librarians and trustees of this session.

CONSTITUTIONAL REVISION:

For over a year the Constitution Committee under the chairmanship of Nancy Miller has worked on the present ORALL Constitution to update it in all areas, but especially relating to our new "official status" as an AALL Chapter. Copies of the proposed document will be distributed at Saturday's meeting followed by an explanation of its changes and a discussion period. According to our present Constitution, changes can be voted only at the Annual Meeting -- next fall. We hope you will accept this opportunity to be prepared for the fall vote.

FALL MEETING:

Members of the Executive Board voted to accept the invitation extended by Roger Jacob to have the fall meeting in Windsor, Ontario. The University of Windsor Faculty of Law occupied its new building in September 1970, and this is a good opportunity to visit a beautiful law library. Mark your calendar for October 29 and 30, 1971.

ORALL BREAKFAST AT AALL:

Plans are not yet final for the proposed ORALL breakfast during the Florida convention. We hope we can let you know more about it at the Cleveland meeting.

Sincerely,
