ORALL Member Named Dean

Dean Carro

JORGE L. CARRO, well-known ORALL member and former office-holder, has been appointed Acting Dean of the University of Cincinnati College of Law. He has temporarily vacated his post as Law Librarian at the U.C. Marx Law Library. The NEWSLETTER wishes Dean Carro every success and offers congratulations on his attainment of one of the most eminent positions in the mid-west and the country.

Dean Carro has appointed Andrew R. Brann Acting Law Librarian during his interim appointment.

President's Letter

To the Membership,

During the last National Convention of A.A.L.L. in Rochester, New York, I was indeed proud to see so many of our members in attendance. Thanks to Carol Bratton, who made the arrangements, we had the largest O.R.A.L.L. Breakfast in memory. I especially enjoyed the Panel Discussion, "Networkings for the Small Library". Our congratulations to the Chairman, Lorraine Kulpa, and to the participants, Beth Gwynn, Joanne Mosel, and Mary Ann Roman for doing such a fine job.

While in Rochester, the Executive Board members held a meeting. A report of the various committees was heard, and they seem to be progressing on schedule. Elsewhere in this Newsletter, you will find a slate of Nominees for the fall election as prepared by the Nominating Committee. I urge you to read about the proposed candidates so as to be well informed when the voting takes place at the Annual Fall Meeting.

Within the last six years, the Constitution of O.R.A.L.L. has undergone considerable change, making it a rather cumbersome document. In most organizations, the Constitution remains constant, stabilizing the original intent, and lending continuity from year to year. As changes need to be made within the organization, By-Laws are changed rather than the Constitution itself.

O.R.A.L.L. however, has never had any By-Laws! For this reason, the Constitution Committee, under the chairmanship of Peter Kempel, was given the authority of the Executive Board to proceed with the complete revision of the Constitution and to prepare appropriate By-Laws. Because it is imperative that these changes be made, we hope the membership will correct this flaw by exercising their right to adopt this revised Constitution and the new By-Laws.

This past June, we were all saddened to learn of the death of Mr. Albert Frank, the husband of our Vice President, Bernice Frank. I am sure you will all join us in extending our sympathy at this sad time.

As summer draws to a close and the scholastic year commences, I realize how very quickly this past year has gone by, and how soon October will be upon us. I am certainly looking forward to seeing everyone in Indianapolis in October. Because of her loss, Bernice, understandably, has been unable to actively participate as Program Chairman, and we are grateful to Kathy Welker, the Local Arrangements Chairman for taking on so much added responsibility. With the help of the many who have volunteered their efforts, I am sure that the Fall meeting will be interesting and productive. I hope all will attend!

R. L. Beer, President.

Fall Meeting - 1978

The Fall meeting of the Ohio Regional Association of Law Libraries will be held at the Hilton Hotel in downtown Indianapolis, Indiana, October 12-14, 1978. The theme of this Fall's meeting will be library management.

Two outstanding authorities in this field, Professor Herbert S. White of the Indiana University Graduate School of Library Science and Professor Donald E. Klingner of the Indiana University (Indianapolis) School of Public and Environmental Affairs, will be featured speakers for the program.

Professor White held many high level management positions before joining the faculty of Indiana University in 1975. In addition to his professional duties in the areas of management and information science, Professor White is the director of the university's Research Center for Library and Information Science. He has been a frequent speaker and award-winning contributor to the journal literature particularly in the areas of library management and economics of information.

Professor Klingner has vast experience in the area of human resources management as a teacher, researcher, consultant, practitioner and author. He has given numerous papers and has written grants and contracts in this field. Professor Klingner has been as Assistant Professor at Indiana University (Indianapolis) since 1974. Since 1977 he has been Program Coordinator for the BSPA degree program at that institution.

In addition to the management workshops, which will last throughout October 13 and through the morning of October 14 the Local Arrangements Committee has made arrangements for an evening at the Beef 'N' Boards dinner theatre on October 12. Sandy Dennis will be starring in "Two for the Seesaw." Transportation will be provided.

Local arrangements has also added a new touch to the traditional banquet which will be held the evening of October 13. Kathy Welker and her committee have selected a Victorian theme and are providing entertainment by a barbershop quartet.

A walking tour of ten Indianapolis law libraries will be available the afternoon of Thursday, October 12. The tour will include these libraries: Baker and Daniels; Barnes, Hickam, Pantzer and Boyd; Bose and Evans; Ice, Miller, Donadio & Ryan; Indiana Supreme Court; Indiana U. unanimous in declaring it "very useful", as were those who attended the Guidelines sessions.

The Ohio Admin. Code and Model Bibliography was considered "very useful" by 2/3 of those attending and "somewhat useful" by the rest.

The questions about the social events brought an overwhelming majority of positive comments with only two persons giving negative responses. Also, over half of those participating would like to see similar programs in the future.

The most general complaint was that the work sessions were overcrowded and that the question and answer periods suffered because of this.

Many people sent good program suggestions which have been turned over to the Activities Committee.

We want to thank all of you who participated in the evaluation. Response to questionnaires like this always help to plan and improve future programs that will mean the most to all O.R.A.L.L. members.

Respectfully Submitted,

Lane Fichtenau

From the editor...

The NEWSLETTER has received many satisfactory comments about the new format presented in the last issue. Thanks for the letters, notes, and calls.

We must report, however, that we have received no suggestions as to name change. Our tabloid will, therefore, continue to be known as the ORALL NEWSLETTER.

As you may remember from the last NEWSLETTER editorial we indicated that there would be two trial runs with the new publication format. This, of course, is the second.

In conjunction with the Fall meeting in Indianapolis the ad hoc Publications Committee intends to raise the issue as to whether we should continue in this manner. The big factor, obviously, is the cost. It takes about \$130.00 to reproduce and mail each issue.

We strongly urge each ORALL member to examine the merits of the new NEWSLETTER, weigh them against the increased cost of producing an Association publication, and bring your ideas to the Fall business meeting.

The NEWSLETTER wishes to announce that Mr. Brent Riley, who served as the NEWSLETTER'S copy editor, has resigned his position at Marx Law Library, University of Cincinnati College of Law, to become head of the art department at Rosary College in Chicago. Mrs. Rita Fischer, also of U.C., is assuming the same editorship. She handles the NEWSLETTER layout: construction, lettering, typing. Her membership on and

services to the committee are most appreciated.
