active voting members in good standing submitted to the Secretary no later than August 1 of the year. Such nominations by petition must be accompanied by the written acceptance of the nominee."

Nominations for 1980-81 term

The Nominations Committee has chosen the following slate of nominees:

Vice-President/President-Elect

Lane Fichtenau

Secretary

Deborah J. Cannaday

Executive Board Member

Peter Kempel

In choosing these individuals, an attempt was made to balance such concerns as geographical location, previous service to the association, and representation from the various types of libraries.

Catherine Gillette will assume the role of President for the 1980-81 term, and Robert Begg will continue in his second year as Treasurer. Virginia Capute and Kathy Welker will also serve on the Executive Board.

Quoting from ORALL Bylaw IV, Section 1 c & d, "Additional nominations may be made upon written petition of five

"The Secretary shall prepare an official ballot including nominations by petition. A brief biographical sketch of each nominee shall appear on the ballot. By September 1, the Secretary shall mail a copy of the ballot to each voting member of the Association. Ballots shall be marked, sealed in plain envelopes, and returned to the Secretary before September 30. The candidates receiving the largest number of votes shall be declared elected and the results announced at the business session of the Annual Meeting."

Errata

The editors would like to apologize for errors which were found in the last issue of the NEWSLETTER:

Pat Anderson is a member of the Ad-Hoc Publications Committee but her name was deleted in that committee's listing. This was particularly ironical, since Pat is our feature articles editor. Sorry, Pat!

In the article "New Leaders," Robert T. Begg, Treasurer, was listed as Law Librarian of the Adams-Pratt Oakland

County Law Library. In fact he is Law Librarian at Ohio Northern University. Richard Beer is the Law Librarian at Adams-Pratt Oakland County. Our apologies to both Bob and Dick.

In the same article on leaders, Lane Fichtenau was omitted as being elected Secretary of ORALL. Lane is the Assistant Law Librarian at Adams-Pratt Oakland County. We beg your pardon, Lane.

Same Contents Different Titles

Thanks to an investigative article appearing in the Southeastern Law Librarian (v. 5, no. 1, n.s.)--and to Teddy Artz for bringing the article to our attention--we would like to alert our members that the Wage-Price Law & Economics Review is no longer publishing original material. Instead, it contains the exact same material as Antitrust Law & Economics Review. An open letter detailing identical contents in these journals was printed in the volume 3, number 2 issue of W-P L & E R, but separate letters have yet to be sent to individual subscribers. If you receive both publications, you may want to cancel one subscription.

Pat's Reminder

A reminder to all ORALL members that want to tell everyone of their latest professional achievement, personal triumph, or some projects you might want assistance with--Pat Anderson is the one to tell. She's in charge of receiving any feature article or news brief for the ORALL NEWSLETTER. Write to her at the University of Toledo, College of Law Library, 2801 W. Bancroft Street, Toledo, Ohio 43606.

Legislative Committee

The Ohio county law libraries have been anxious to clarify the appropriate applications of funds (public and private) that are available for their use. These libraries are hoping that, eventually, guidelines from the state could be more clearly defined. Adding to these muddy waters, on Dec. 21, 1979, Judge Donald D. Simmons (Wood County) rendered a decision in Greene County Common Pleas Court affecting the operation of law libraries across the state. To summarize the judgment without going into the personal issues of the case, the following decisions were made.

1. The court could not find any provisions limiting the expenditures made with monies that are retained as a result of compliance with Section 3375.56 of the Ohio Revised Code.
2. Interest earned on funds which are derived by Sections 3375.50 to 3375.53 of the Ohio Revised Code is not subject to any provisions, outside that of the board, as to its expenditure or reimbursement.
3. If "private funds" and public monies are co-mingled in the same account,

the accounting procedures must be able to delineate the two.

The court did uphold the law library's expenditure of public funds for shelving, noting that "extraordinary damage sustained necessitated extraordinary measures in fulfilling the obligation of maintenance of the law library". The question now remains as to whose interpretation of "emergency measures" are to be taken in deciding the legality of such expenditures under different circumstances.

It is noted that this case is pending appeal and any of the decisions rendered could be possibly reversed or all upheld.

Also, tickets to hear the Cleveland Orchestra play a pops concert will be available.

On Friday, representatives from WESTLAW and LEXIS will be presenting lectures and demonstrations of their systems; also during that day, several law librarians will comment on management of online reference services, as well as online legal research instruction.

Saturday's program will focus on contemporary issues of law libraries. There will be groups discussing the White House Conference and Anita Shew's proposal for an ad hoc committee on public access to legal information.

Every ORALL member should have received registration materials for the Spring Meeting in Mid-April. However, since that time there have been a few changes in the program. The following is a list of those changes:

OHIO STATE BAR ASSOCIATION EXHIBITS

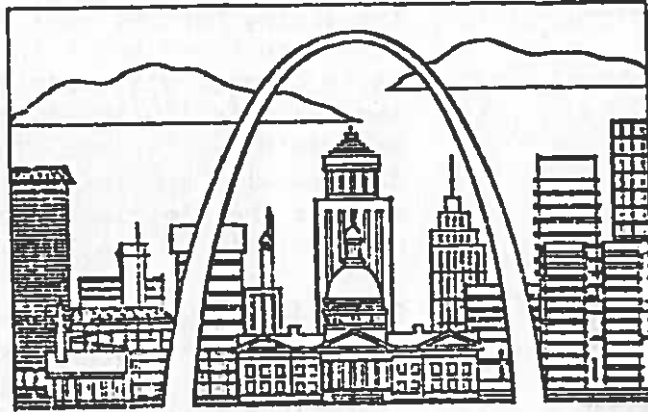

ORALL members are welcome to visit the exhibit area set up for the meeting of the Ohio State Bar Association running concurrently with ORALL's Spring Meeting in Cleveland. The exhibit area will be on the second floor of the Bond Court Hotel just up the street from the Hollenden House. Your ORALL badge (received at registration) will serve as your admission ticket. If any ORALL member wishes to attend any sessions of the Ohio State Bar, she/he will be required to pay the \$20 registration fee.

PUBLIC ACCESS TO LEGAL INFORMATION

ORALL members and interest persons are invited to participate in a discussion of issues and ideas growing out of Anita Shew's proposal for an ORALL Ad Hoc Committee on Public Access to Legal Information on Saturday morning, 10:30 - 11:15 a.m. The alteration in the title of the project reflects a broadening in scope of the legal information concept.

Exciting legal hotline telephone projects using cassette tapes such as "Lawline" in Columbus and now in Cincinnati are one direction this concept is already taking.

Mrs. Shew has been in touch with the Ohio Library Association and Ohio State Library personnel in an effort to establish perhaps a joint sponsorship of this project with the public library associations and to involve public libraries in at least one aspect of the total endeavor. Please plan to attend and contribute your ideas!

The meeting was called to order at 3:45 pm by President Barbara Rennolet.

The minutes of the Spring business meeting, May 11, 1979, were approved as read.

Kathy Welker gave the Treasurer's report, indicating the Association had a balance of \$6668.21, but that the Convention bills had not been received as yet. Barbara thanked the publishers for their \$1000. contribution toward the convention and thanked the Cincinnati Law Librarians for their contributions in the form of postage, etc.

The next order of business was committee reports which are appended to these minutes.

1. Constitution and By-Laws - Robert Begg, Chairman.

Bob reported that all requirements for changing the Constitution had been met and made a motion that the association approve the new documents. Barbara called the question and the membership approved unanimously. She then thanked Peter Kempel and Bob Begg for their excellent work during the past two years.

2. Legislation Committee - Anita Shew, Chairman.

Anita reported the probable passage of a bill allowing Ohio County Law Libraries to acquire Audio-Visual materials. She also alerted the membership to two Ohio cases, one involving public access and the other, financial procedures which could affect all County libraries.

3. Membership Committee - Cathy Gillette, Chairman.

Cathy announced that 1979-80 directories were being distributed and that the committee would like executive board approval of a new membership form which would include some biographical information.

4. Nominations Committee - Joanne Mosell Beal, Chairman.

Jody announced that the following slate of officers had been selected by the committee:

President: Kathy Welker Vice President/President Elect: Catherine Hall Gillette
 Treasurer: Robert Begg Secretary: Lane Fichtenau
 Board Member: Virginia Capute

5. Placement Committee - Peter Kempel, Chairman.

Peter reported on vacancies, positions wanted and their advertising.

6. Model Bibliography Committee - Christine Stevens, Chairman.

Christine summarized the extensive work of the committee and asked that the policy of annual updating of the entire project be changed to revise just half each year.

7. Union List Committee - Tom Vergamini, Chairman.

Tom made a motion that ORALL drop the Union List project because of lack of support from ORALL Libraries. Discussion followed indicating that the list was extremely useful for some members. Carol Meyer suggested that we try one more time through the newsletter to get greater participation. The motion failed.

Old Business:

Barbara announced that Karen Moss had moved to Boston to assume the position of Law Librarian for the First Circuit Court of Appeals and had resigned as Secretary of ORALL. The Executive Board appointed Lane Fichtenau to fill the position until the Fall Election of officers.

The Executive Board decided on the basis of discussion at the Toledo meeting a year ago, to continue to hold two ORALL meetings a year and that one meeting would be in conjunction with the OHIO Bar.

There was no further Old Business.

New Business:

Anita Shew proposed that ORALL form a committee to study access to legal publications through public libraries because:

1. Citizens have a right to access to the laws that govern them.
2. Law Libraries should provide their leadership qualities to assist public librarians.
3. Law Libraries which were established for one purpose will be diverted to fulfilling general information needs if the public libraries do not.

Anita then outlined several projects that would have to be undertaken and asked anyone who would like to participate to contact her. Barbara said that the question of a new committee would be turned over to the Executive Board.

Barbara then announced that the Board had approved Peter Schank's proposal that ORALL and MICH/All join forces for the 1980 convention in Detroit. This would be a useful "dry run" for the 1982 National Convention there.

Peter Kempel made a motion to amend By-Law 5, section 2, concerning special committees to create an Education Committee as a special committee and a Publications Committee as a special committee. It was seconded by Charles Geron and passed.

Peter then made a motion that the Executive Board of ORALL be authorized to take the following steps and expend the required amounts of money to incorporate the association as a not-for-profit corporation and apply for tax exempt status for the organization in relevant jurisdictions; that is:

1. To seek not-for-profit incorporation under the laws of Ohio or Delaware.
2. To select appropriate individuals to serve as incorporators.
3. To utilize the services of Corporation Trust or some similar entity to process the incorporation.
4. To retain an appropriate resident agent within the jurisdiction of incorporation.
5. To file for not-for-profit tax exempt status with those State Governments within whose area this organization has significant contact.

Marge Wilcox seconded the motion. Discussion followed. Jerry Dupont outlined difficulties the Hawaii Bar was having with the IRS regarding lobbying and services to members. Jim Bailey pointed out we already have tax exempt status and have been successful at getting grants.

Teddy Artz moved that the motion be tabled. Bailey seconded it and it passed.

The issue was submitted to the Board for study and a report at a later meeting.

Barbara then read a telegram from Dick Beer congratulating her on a successful term and regretting his absence from the Conference. She thanked the Executive Board, the Committees and the members for their cooperation throughout the year.

The next order of business was nominations and election of officers.

Barbara presented the slate of officers nominated by the Committee. Then she opened the meeting for nominations from the floor for each office in turn. There were no additional nominations and in each case it was moved and seconded that the nominations be closed. The duly elected officers are:

President: Kathy Welker
 Vice President/President Elect: Catherine Hall Gillette
 Treasurer: Robert Begg (2 year term)
 Secretary: Lane Fichtenau (1 year to complete Karen Moss's term)
 Executive Board: Virginia Capute (2 year term)

Barbara turned the gavel over to Kathy Welker and it was moved and seconded that the meeting be adjourned.
