AGENDA

Fall Business Meeting

The Fall Business Meeting will take up one item of major importance. The proposed dues increase to \$10.00 annually will be decided. There has been no increase in dues for many years but our costs are continually rising. We are all painfully aware of the impact that spiraling inflation has had on both our personal and institutional budgets. ORALL must face the same pressures as we produce newsletters and finance meetings. Your support of this proposed increase is needed so that ORALL will remain solvent.

A couple of editorial changes in the new constitution will also be presented to the membership by Dick Beer, Chairperson of the Constitution and Bylaws Committee. If any other chairpersons have business that should be added to the agenda, please contact Kathy Welker at the following address: R.R. #1, Box 110. Ph. (419) 667-2444 Venedocia, Ohio 45894.

Deadline

The deadline date for inclusion of materials in the December issue of the ORALL NEWSLETTER is Nov. 14.

If any ORALL member wishes anything published, please send us the information before this deadline!

PAT'S REMINDER

A reminder to all ORALL members that want to tell everyone they have finished that unending project, won that 1st to 50th award, received a long awaited promotion or just have all around good news from their particular library — Pat Anderson is the one to tell. She's in charge of receiving any feature article or news brief for the ORALL NEWSLETTER. Write her at the University of Toledo, College of Law Library, 2801 W. Bancroft Street, Toledo, Ohio 43606.

OLA-OALA

The Ohio Library Association and the Ohio Academic Library Association will have a joint meeting on Oct. 23-25 at the Sheraton Columbus Motor Hotel. This conference may be of interest to the ORALL membership, since three ORALL members will be on a panel to discuss public access to legal information. The panelists are Anita Shew, Lillian Overmeyer, and Cathy Gillette.

SPRING MEETING

Mark your calendar! The ORALL Spring Meeting will be May 7 and 8, 1981, in Columbus, Ohio.

TOLEDO Touts *Law Library Addition!*

The University of Toledo Law Library Addition has reached the point of breakthrough, with Janet Wallin being ceremoniously evicted from her office as her outer wall went, quite literally, under the hammer. Pat Anderson is looking forward to the luxury of having her own desk, rather than one shared with twenty-two other people!
